

## **ECONOMIC AND SOCIAL RESEARCH FOUNDATION**

### **OPPORTUNITY TO BECOME A RESEARCH ASSOCIATE OR ENUMERATOR ON CONSULTANCY SERVICE BASIS**

The Economic and Social Research Foundation (ESRF) is an independent policy research institution based in Dar es Salaam, Tanzania. ESRF was established in 1994 to respond to the growing need for a research think tank with a mandate to conduct research for policy analysis and capacity building. The Foundation's primary objectives are therefore to undertake policy-enhancing research, to strengthen capabilities in policy analysis and decision making, as well as articulate and improve the understanding of policy options in government, the public sector, the donor community, and the growing private sector, and civil society.

The key themes or core research areas at ESRF are informed by the Tanzania Development Vision 2025, the Five Year Development Plan and East African Community Development Strategies. The themes covered by ESRF are: Inclusive Growth, Employment and Industrialization; Governance and Accountability; Globalization and Regional Integration; Social Service Delivery and Social Protection; Natural Resources and Environmental Management; and Knowledge Management and Innovation.

The Foundation promotes public understanding of economic and social conditions as well as public policy issues. It carries out policy research, capacity building and promotes dialogue on policy issues by engaging both public and private sector stakeholders through online and offline discussions. It also widely disseminates the results of research and discussions through publications and posting on its websites: <http://www.esrf.or.tz>, [www.tzonline.org](http://www.tzonline.org) and [www.taknet.or.tz](http://www.taknet.or.tz).

Given the increased demand to research and articulate various policy and strategic issues, ESRF seeks to engage experienced, competent, self-motivated and dynamic applicants for **Consultancy Services as Research Associates and Enumerators**.
